2026 PNPW : OCT 28-30

The Pacific Northwest Pretreatment Workshop (PNPW) is our annual pretreatment focused technical training conference. This year's event will bring together a dynamic lineup of national and local pretreatment leaders sharing the latest insights, tools, and best practices for 2.5 days of programming in Bend, Oregon. Learn more at westernstatesalliance.org.

Partner with us as a vendor or sponsor this year! Reach out to Jude Koehler (jkoehler@pprc.org) with any questions or collaboration ideas.
