

## P2 WEST 2026 : SEPT 22-24

P2 West is our annual pollution prevention (P2) conference that brings together technical assistance providers, green business programs, sustainability experts, zero waste, pretreatment, and other environmental professionals from across the country. This year it will be hosted in downtown Portland, Oregon.

**Partner with us as a vendor or sponsor this year! Reach out to Jude Koehler ([jkoehler@pprc.org](mailto:jkoehler@pprc.org)) with any questions or collaboration ideas.**
